

Akita Green Tourism Full Experience Training 2017

The young generation
will support
Green Tourism locations!

Learn about Akita's
agriculture and rural
villages through
Green Tourism!

Looking for Participants!

Experience Akita's countryside through Green Tourism in Akita! We would like to have your young energy to promote to many people and connect with Akita as your second home! Through 3 training sessions, you will be given a chance to learn about Akita.

Welcome All
International Students!!

【1st Session】

October 7 (Sat) ※Day trip
～Experiencing Fall①～

Venue : Higashiyuri, Yurihonjo City
Contents : About Akita Prefecture's
Green Tourism (Lecture),
talking with farmers, experiencing
the life of a farmer (Farming
activities such as threshing and
hulling rice, creating Japanese pot
dish— nabe from harvested crops).

【2nd Session】

October 28 (Sat)～29 (Sun)
※2 days and 1 night
～Experiencing Fall②
Preparing for winter～

Venue : Daisen City
Contents : About Daisen City's agriculture
and Green Tourism (Lecture), staying a night
at a farm inn and experiencing the place.
※During the activities, there will be areas
where English translation will be held!

【3rd Session】

January 15, 2018 (Mon)
※Day trip(start from evening)
～Enjoy Interacting with Visitors～

Venue : Akita City
